Student Criminal Offence(s) Disclosure Form

(for the disclosure of convictions which are not 'spent')

Belfast Met aims to treat all applicants fairly and in line with the Rehabilitation of Offenders (NI) Order 1978 (as amended), the Human Rights Act 1998 and the General Data Protection Regulation (GDPR).

This form must be used to tell us about any criminal convictions which are not considered 'spent' under the Rehabilitation of Offenders (NI) Order 1978. If an applicant does not fill in this form, and the College finds out about their undisclosed convictions at a later date, they may be refused a place or asked to leave their course.

The Life at Belfast Met / Student Support section of our website (www.belfastmet.ac.uk) gives more information on our Student Criminal Convictions Disclosure policy, on which disclosure form you need to complete, and on how to work out if your convictions are spent or unspent.

The information you give on this form will be handled confidentially by the College's Safeguarding Team, in order to decide whether any risk to students, staff and visitors can safely be managed.

Disclosure does not usually prevent an applicant from being able to take up a place at Belfast Met. Occasionally, however, the College may decide that an applicant's convictions prevent them from joining a particular course, or from being able to study at the College at all.

As soon as the Safeguarding Team has made a decision, we will write to you to let you know the outcome of your disclosure.

Please complete this form as fully and as accurately as possible, using black ink and block capitals. If any sections are missed, we will not be able to process your form straight away, and this will delay your application.

Please put your completed form in an envelope marked 'Confidential' and send it to:
