WELCOME

Welcome to our Higher Education prospectus. We are delighted that you are considering taking your next career move with Belfast Met.

Whether you are fresh from school, returning to education or wanting to study a stand-alone course to support your career goals and equip you for your next step into employment, you will find something that suits you here. Our college purpose is “Equipping learners, driving innovation, transforming lives” and we have been serving the people of Belfast and beyond for over 100 years.

At Belfast Met, we are committed to providing you with the skills that both you and local industry need to meet the demands of growing our economy today and in the future. We’re proud of our tradition of ensuring that every learner realises their full potential and aspire to giving every student a rounded educational experience both in and beyond the classroom.

We wish you every success as you consider your future and hope to see you very soon.

Interim Principal and Chief Executive

Prospectus Contents

HIGHER EDUCATION

Belfast Met offers a selection of Higher Education courses at all levels, specifically tailored to industry demand and run in conjunction with top UK education providers.

Our Higher Education partners include Queen's University Belfast, the Open University and Ulster University. We also offer a range of professional and technical awarding organisation programmes including the Institute of Leadership and Management, Chartered Institute of Personnel and Development, the Chartered Institute of Marketing and Pearson BTEC Higher Nationals.

As well as full degrees and foundation courses with our Higher Education partners, we offer a wide range of vocational courses and professional development, both full and part-time. All our Higher Education programmes face the same external checks and audits as a traditional university programme.

Why choose Belfast Met?

Choice

The widest range of courses available for Higher Education in Northern Ireland and you can apply for up to 5 courses without affecting your UCAS choices. (Please note some courses go through UCAS.)

Cost

You will benefit from significantly lower costs than universities, which means less student debt in the future.

Job opportunities

Our courses reflect industry demand, providing you with the skills you need to get the job you want.

Location

With four main campuses in Belfast getting to classes is easier than ever, not to mention the great student nightlife.

Graduation

All students studying at Level 4 and above may be eligible to graduate from Belfast Met at our ceremonies held in Titanic Belfast in November.

Belfast Met scored above the UK and NI Higher Education sector averages for quality of teaching, learning opportunities, and academic support

National Student Survey 2024

Higher Education Entry Criteria

Each Higher Education programme has its own distinctive entry requirements. This is set as a minimum UCAS points for entry.

On some programmes, applicants must also hold subject specific qualifications to gain a place. Therefore, it is essential that you check entry requirements for each programme you are applying for. Please note, these are qualifications that applicants must have completed and certified to gain entry onto the respective programmes.

English Language & Mathematics Entry Requirements

There are minimum English Language requirements for full-time Higher Education programmes. Applicants must hold a GCSE pass at Grade C/4 or above in English Language. Level 2 Certificate in Essential Skills Literacy may be regarded as an acceptable alternative to GCSE English Language. The College may accept an equivalent level of qualification. Some courses may require higher than the minimum Grade C/4. You are advised to check the individual course entry requirements. You can find these within the Entry Requirements section under each individual course. Where a GCSE grade in English is specified as the only qualification accepted, other English competency qualifications may not apply.

If you have not achieved GCSE English Language Grade C/4 or an equivalent level, you will be asked to provide evidence of English Language competency. Other qualifications may be accepted as evidence of level of competency on a case-by-case basis.

To provide evidence of English Language competency, please contact us on **028 90 265 265** or email studentportal@belfastmet.ac.uk. You will be referred to the appropriate curriculum area who will guide you on your next steps.

Where an ESOL qualification is used, the appropriate level must be achieved across all skills - Reading, Writing, Speaking & Listening. Applicants should also check the English language criteria for progression to other further and higher education institutions as these may vary.

Applicants must also hold a GCSE pass at Grade C/4 or above in Mathematics. Level 2 Certificate in Essential Skills - Application of Number and Essential Skills Literacy may be regarded as an acceptable alternative to GCSE Maths.

We recognise that prior learning or experience may give some students credit towards a qualification to gain entry onto a programme or credit towards a programme of study. Please refer to our Accreditation of Prior Learning (APL) process at: [APL Guidance Notes for HE Applicants](#)

Please also note:

The College reserves the right to increase the entry requirements for all Higher Education provision before offers are made and required academic standards, as specified by the Awarding Body/ validating organisation.

International Qualifications

Belfast Met and University partners (UU, QUB and UU) must verify that applicants holding international qualifications meet course entry requirements before they can be enrolled onto a course.

To help us verify that course entry requirements are met, applicants must:

Get a full English language translation of your qualifications. Belfast Met will accept the full English translation from UK ENIC www.enic.org.uk. UK ENIC is the UK National Information Centre for the recognition and evaluation of international qualifications and skills.

Ensure that the translation provides clear evidence that your qualifications meet or exceed the course entry requirements. [UK ENIC](#) can also help with Statements of Comparability and UK Qualification Reference Statements.

There is a charge for this service. For more information on UK ENIC, visit their website at www.enic.org.uk.

The Department for Communities can also provide information and/or help with qualification equivalencies. For more information, visit their website at: <https://www.communities-ni.gov.uk/>.

Higher Education Graduation

Every November, Belfast Met's students are rewarded for their hard work and achievements at a prestigious Higher Education Graduation Ceremony held in the iconic Titanic Belfast.

The special ceremony is followed by entertainment, refreshments and photography ensuring amazing memories from the day are captured. So, what are you waiting for - take on a course at Belfast Met and soon you could be celebrating too!

For further information visit our website:
www.belfastmet.ac.uk/life-at-the-met/graduation
or email: MarketingandDesign@belfastmet.ac.uk

All students studying courses Level 4 or above may be eligible to graduate from Belfast Met.

Campus Facilities & Student Spaces

All our student spaces offer a student support hub where you can get information on student funding, inclusive learning, careers and student wellbeing.

Titanic Quarter Campus

The base for our student council and the hub for our wide range of clubs and societies, as well as pool, fossball and table tennis facilities.

[Click to explore Titanic Quarter Campus](#)

Millfield Campus

Our second-floor common room provides space to unwind, with pool and tennis tables a PS4 and range of games for your use.

[Click to explore Millfield Campus](#)

Castlereagh Campus

As well as the student common room, Castlereagh boasts sports facilities, with the Rugby Team and Girls' Sports Club meeting every week.

[Click to explore Castlereagh Campus](#)

E3 Campus

E3 campus is home to the Belfast film and Television school. Most Higher Education creative and media production courses are taught here. It is a state-of-the-art venue that also includes specialist media studio facilities. E3 is one of the first campuses in the United Kingdom to offer a virtual production stage. The campus has a great café, offering plenty of space to hang out and chat over a coffee or lunch.

Student Support Services

Student Support

The cost of living crisis has heightened the many barriers to education and learning that our students face. To help you overcome these barriers and enable you to strive towards your full potential, we have a wealth of student support services including: Student Wellbeing, Inclusive Learning, Careers and Employability, Student Funding, Students' Union, Student Counselling and a dedicated College Safeguarding Team. Details of all of these services can be found here: [Student Support](#)

Student Welfare and Well-Being

We have a dedicated Centre for Student Wellbeing whose purpose is to create an inclusive environment that supports and empowers students. We aim to do this through timely and accessible information. Providing guidance and access to services which will enable you to understand and proactively manage your wellbeing and mental health. We put on emphasis on not just preventing problems and/or seeking help, but promoting positive wellbeing. Our approach is friendly, confidential and student focused. [Student Wellbeing](#)

Library and Information Service

Our modern and vibrant Library Service is designed to provide resources to students both on and off campus. Electronic resources are available 24/7 through our remote learning facilities and our libraries provide physical resources and support for over 50 hours a week. [Library Services](#)

Inclusive Learning

At Belfast Met we welcome and encourage applications from students who have a disability, learning difficulty or long term medical condition. We are committed to ensuring that you have an equal opportunity to gain the maximum benefit from your experience here at the College. We are a dedicated, professional team who operate on all college campuses. We have a range of specialist services that we can offer while you are in College. For further information please email: inclusivelearning@belfastmet.ac.uk or call 02890 26 5064 /5097

Student Funding

For information, advice and guidance on funding options that may be available to you whilst studying please [click here](#), or contact our Student Funding team on 028 9026 5183 or email: StudentFunding@belfastmet.ac.uk

Careers and Employability

Sometimes knowing where to start is the hardest part. However it is important to take time to consider the various career and pathway options each course can lead to.

Belfast Met's Careers and Employability team is here to help you to better understand career and course options in order that you choose the course that is right for you. When you are on your course, you can also talk to us about how to enhance your skills and qualifications as well as availing yourself of professional support to help you achieve your next step.

Our Careers and Employability service holds the 'Matrix@ National Quality Award for information, Advice and Guidance. Contact us on 02890 26 5066 or email: careers@belfastmet.ac.uk to make an appointment.

Student's Union

Students' Union

The Students' Union has three main aims.

1. Student Voice:

We support your elected Student Council and help to train and support your Class Reps too; ensuring the student voice is heard within the College.

2. Student Engagement:

We support and promote various extracurricular activities such as a range of sports clubs and societies.

3. Student Welfare:

We campaign for and promote several initiatives targeted at improving student welfare.

For more information about our Students' Union [click here](#).

Health, Wellbeing
& Inclusion

Staff and students in the School for Health, Wellbeing and Inclusion aspire to make a difference to peoples' lives. Our courses equip students with the qualifications, skills and knowledge that is recognised for working as practitioners, supervisors and managers in the Health and Social Care, Early Learning and childcare, Counselling, Sport and rehabilitation.

All courses include elements of applied learning including work placement and project based learning. This helps develop key transferable skills and confidence to give you a real edge with academic and career success.
