

SENT ON BEHALF of Belfast Met Academic Appeals' Team.

8th July 2021

Dear Students,

This email is to inform all students of where to find information about the arrangements that are in place for appealing against results issued in Summer 2021. The college has a dedicated webpage that contains information on Summer 2021 appeals (link below):

[SummerAppeals \(belfastmet.ac.uk\)](http://belfastmet.ac.uk/SummerAppeals)

The dedicated webpage has been published to inform all students, their parents/guardians, and employers on the Summer 2021 appeal process. Within the dedicated webpage students will learn about:

- their qualification's appeals process
- the grounds for appeal
- how to request an appeal
- the timelines associated to each stage of the appeals process

We encourage all students, their parents/guardians, and employers to carefully read the grounds for appeal and timelines associated to requesting appeals for their qualification / awarding organisation. Due to the Awarding Organisations' and Regulators' timelines for issuing appeal outcomes, the timelines attached to the Summer 2021 appeals process are stern. Where a student meets the grounds for appeal, students are encouraged to act promptly, and students **must adhere** to the Belfast Met timelines for the submission of forms.

Further information on the timelines can be found on the dedicated webpage as linked above.

Kind Regards,

Belfast Met Academic Appeals' Team
